**The Audacia Foundation, Inc.** is a not for profit corporation formed in September 2009 by Southern New York Association, Inc. The Foundation was organized for the following purposes:

- (a) To maximize the effective provision of long term, sub-acute and other health care services to populations in need and fostering the continuing development of an efficient, comprehensive long term care system that meets the needs of patients and the general public, by developing, supporting and funding clinical and staff development programs and methodologies with the potential to promote innovative, broad-based care.
- (b) To provide mentoring services to adult learners seeking to further their career development, with a goal of fostering an educated, qualified workforce capable of filling public needs, creating new jobs, businesses and industries, and fostering economic growth.
- (c) To offer financial assistance to individuals seeking to undertake or advance in occupations, careers and professions that serve public needs.
- (d) To accomplish such purposes by any means appropriate and lawful for a charitable not-for-profit corporation, including, without limitation, funding educational programs, undertaking, conducting and supporting research and analysis, and awarding financial aid to qualified individuals.
- (e) To do any other act or thing incidental to or connected with the above purposes or in their advancement, but not for the pecuniary profit or financial gain of the Corporation's directors or officers.

The Foundation is in the process of applying for an exemption from federal income tax under Section 501(c)(3) of the Internal Revenue Code.
