## HAPPENINGS AT HIGHLAND CARE CENTER

May 2010, Highland Care Center Inc, a 320-bed skilled nursing facility in Jamaica, NY, held the first of what they hope will be many "Senior Prom Nights" at the facility. It turned out to be an extravaganza that the residents here will never forget.

First and foremost, the staff at Highland Care Center, led by Tatiana Andre, the Director of Recreation, did a wonderful job of encouraging everyone to donate outfits worthy of the most exquisite prom reception anyone has possibly attended. The hair and make-up technician did an outstanding job of not only fitting everyone in who wanted to be given a fresh look, but also making him or her look marvelous at the same time.

(Continued on back)

The Main Dining Room, where the reception was held, was decorated brilliantly by the recreation staff, and was as authentic a representation of a prom setting as anyone who attended said they have ever seen. The family members who attended enthusiastically gushed over the amount of effort and care that was put into this event.

The Dietary Department, including Maria Franzese Rey, Clinton Vandiver and staff, made a stellar contribution with delicious hors d'oeuvres enjoyed by everyone in the room. Kudos goes to all the Nursing Supervisors and the Housekeeping Department. DJ Zenas Mercer (left) continually wowed the crowd with a unique and exuberant blend of oldies and current hits that all attendees were able to relate to and dance to from start to finish. Those who came said unanimously that they were thoroughly impressed with the event as a whole, and were eagerly anticipating the next one!

Once again, thanks to all the family members and residents who attended, and kudos to the entire staff for making this endeavor an overwhelming success. We look forward to making this an annual ritual. Please continue to stay tuned for other exciting events to follow in the coming months.
